## POOLS

Three pools offer distinct settings for enjoyment of all ages. The Family Activity Pool is designed to be a family environment that supports children's play, and children under the age of 16 years must always be accompanied by an adult. The Fitness Pool is designed for lounging for individuals 16 and older and for active lap swimming. Proficient youths may be certified by the Fitness Manager to swim laps at the Fitness Pool, strictly under the supervision of an adult. The Cabana Pool is available to adults ages 21 and older. Poolside lounging is available and complimentary to members year-round at the Family, Fitness, and Cabana Pools.

Lap swimming is available from 6 a.m. – 8 p.m. daily in the Fitness Pool with five lanes available for lap swimming from 6 a.m. – 10 a.m. During the summer pool season, at least two lanes will remain available from 10 a.m. – 8 p.m. while the remainder of the Fitness Pool will be dedicated to lounging.

The summer pool season begins Memorial Day Weekend and extends through Labor Day Weekend. During the summer pool season, full poolside service with lounge chair seating is available by reservation between the hours of 10 a.m. and 6 p.m. daily. Lounge chair reservations will be managed daily to ensure there is a balance of availability for members and guests staying overnight, as well as for members visiting during the day only. Members and guests are required to check in with a host to be seated when entering the pool areas.

During the remainder of the year, the pool area is open for enjoyment during the hours of 6 a.m. – 8 p.m. Towels are available poolside and in the fitness changing areas, and members and guests may seat themselves. Food and drinks may be ordered by phone from the menu displayed poolside.

Please also note that during the winter, we invite families to utilize the Cabana Pool as the Family Pool will not be heated. Age requirements shall still be observed for appropriate Jacuzzi use. The Family Pool Jacuzzi will remain heated to 99 degrees, while the Fitness and Cabana Pool Jacuzzis will be heated to 103 degrees.
